To offer customized, comprehensive and flexible enterprise solutions for our clients that blends their business requirements in the most elegant manner.

Our Mission

Our team is committed to deliver quality solutions precisely addressing the unique needs of the businesses, thus enabling us to create lasting relationships with our client.

ILT Product Range Comprises

- ❑ **Automatic Parking Barriers**
- ❑ **Automatic Sliding & Swing Gates**
- ❑ **Industrial Doors & Garage Doors**
- ❑ **Loading Bay Equipment's**
- ❑ **Bollards**
- ❑ **Road Blocker & Tire Killer's**
- ❑ **Traffic Signals**
- ❑ **Access Control Systems**
- ❑ **Public Address Systems**
- ❑ **Fire Alarm System**
- ❑ **Finger Print and Vehicle Detector**
- ❑ **HR, Pay Roll & Qu Management System**
- ❑ **Under vehicle Surveillance System**
- ❑ **Parking Management System**
- ❑ **Steel Fencing Design and Fabrication**

ILT offers a full single-source service consist of :

- ❑ **Carrying-Out Security Analyses**
- ❑ **Consulting and development of tailor made security concepts**
- ❑ **Detailed Shop Drawings**
- ❑ **Supply of the specified product (S)**
- ❑ **Installation and Commissioning**
- ❑ **Product Training for Customers Staff**
- ❑ **Maintenance and after sales Service**

Automatic Parking Barriers

ILT have different types of parking barriers like Hydraulic, Electro Mechanical etc.

Our parking barriers suitable for Intensive use and can be integrated with Access Control System, Vehicle detector, BMS etc.

Automatic Sliding Gates and Swing Gates

Sliding gates and swing gate automation systems is optimal for Homes and Industrial ware houses. Ensure performance under any atmospheric condition. Whenever you have to choose the ideal motorization you need to consider the weight and, when necessary, the length of the door.

1. Automatic Sliding & Swing Gates
2. Manual Sliding & Swing Gates
3. Design and Fabrication

Industrial Doors and Garage Doors

ILT have high quality doors. Which is compliance with the European standards.

1. Industrial Doors insulated & Non insulated
2. Roll Up Doors
3. High Speed Doors
4. Over Head Garage Doors
5. Fire rated Doors

Loading Bay Equipment's

ILT have different types of Loading bay equipment's. Minimizing the loading efforts.

1. Hydraulic Dock Leveler
2. Telescopic Dock Leveler
3. Edge of a Dock
4. Rail type Dock Leveler
5. Retractable Dock Shelter
6. Zib type dock shelter

Bollards and Traffic Signals

Bollards using for where we need high security. ILT supplies various models of traffic signals with high quality LED lights.

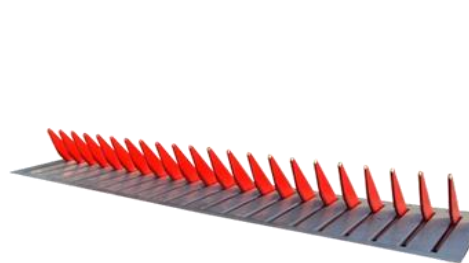

1. Hydraulic Bollards
2. K4 and K12 certified bollards
3. Removable Bollards
4. Traffic Signals

General Manager
Mr. Vipan Deth

Administration Manager
Mr. Khan Lal

HR Manager
Mr. Delapath

Video Monitoring & Under Vehicle Surveillance System

1. Under Vehicle Surveillance System
2. Automatic Number Plate recognition system
3. Intruder Alarm System
4. Infrared/Night Vision Cameras
5. IP Cameras
6. Wire less cameras
7. Pan Tilt Zoom (PTZ) Cameras

Parking Management System

1. Parking management in entire building, Airports, Schools, Hospitals, Business centers etc.
2. Parking Boy for Individual parking
3. Stagnoli Parking Management System
4. Multi car parking system

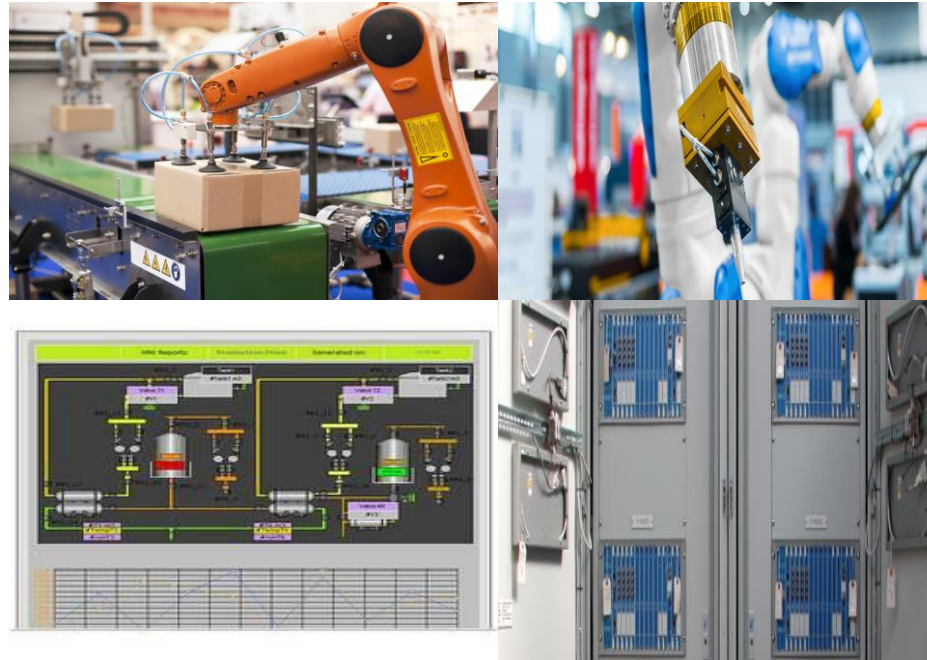

Electrical Equipment's

1. High Quality Transformers
2. Turbines
3. Electrical control panels, Breakers Etc.
4. Resisters, Capacitor, Sensors Etc.
5. Bus Duct
6. Air Regulator, Pressure Switch, Thermo Valve
7. Oxygen Sensor Control Unit, Temperature time Switch

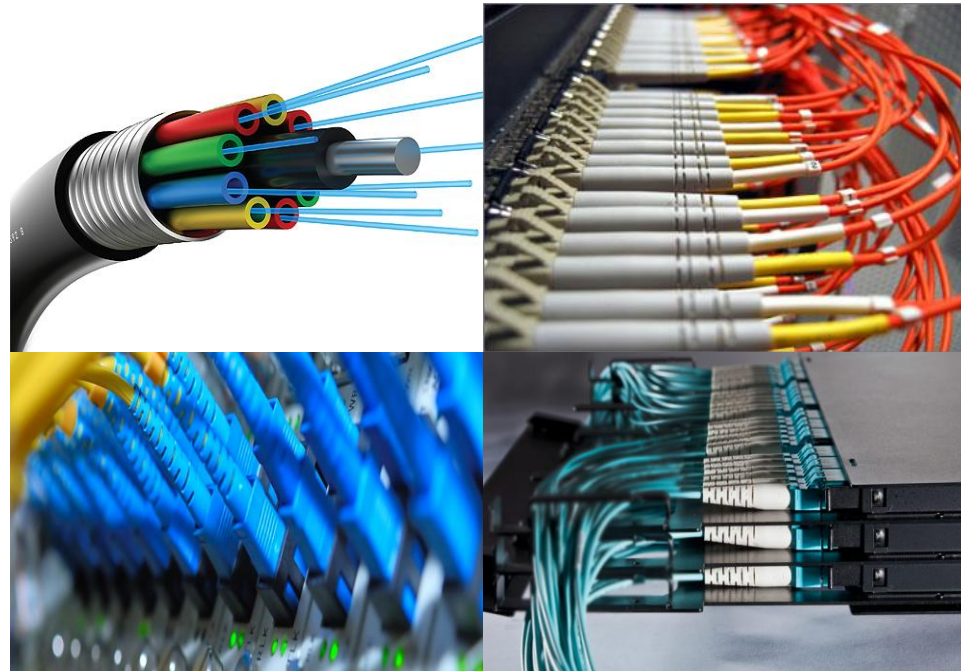

Industrial Automation

1. Industrial Control Transformers
2. Power protection and conditioning
3. Hazardous Location Controls
4. Fiber and Photo Electric Sensors
5. Displacement and Measurement sensors
6. Industrial Heating Cables
7. Level Switches, Limit Switches, Thumb wheel Switches.

Fiber Optic Products

1. Fiber Optic Cable Single mode and Multi mode
2. FC Connectors and Adaptors
3. LC Connectors and Adaptors
4. High density Panels
5. Rack Mount Distribution Panels
6. Optical passive coupler
7. Attenuators: In-Line, Plug Style, Loop Back, Terminators, Mode conditioning plug.

Steel Fencing design and Fabrication

1. ILT fabricating different types of steel fencing.
2. Security fences
3. Wired security fences
4. Custom made security fences
5. Industrial Fences
